

SAFE-TEC® Clinical Products LLC Address Relocation Notification

FOR IMMEDIATE RELEASE

March 29, 2022

Dear Valued Customer,

This letter is to formally notify you that SAFE-TEC® Clinical Products LLC will be moving its headquarters effective **June 6, 2022**.

Old Address	New Headquarters Address	New Mailing Address
SAFE-TEC® Clinical Products LLC 142 Railroad Drive Ivyland, PA 18974 USA	SAFE-TEC® Clinical Products LLC 500 Parkway Broomall, PA 19008 USA	SAFE-TEC® Clinical Products LLC PO Box 533 Broomall, PA 19008 USA

SAFE-TEC® Clinical Products LLC designs, manufactures and distributes sampling and collecting devices for blood and blood components under FDA Registration **2528905** and ISO Certification Number **3821156**

SAFE-TEC® Clinical Products LLC is the legal manufacturer of SAFECAP®, SAFEPETTE®, MICROSAFE® and CTO-10.

SAFECAP®, SAFEPETTE® and MICROSAFE® are contract manufactured under the Terms of a Quality and Regulatory Agreement in accordance with SAFE-TEC® Clinical Products' ISO 13485: 2016 Quality Management System.

The products have always been physically manufactured at 500 Parkway, Broomall, PA 19008, USA. There is **no change** to the manufacturing process. The production machines **will not** be moving.

All checks, invoices, and other written correspondence must be sent to the above new mailing address. Any quality related product returns or other physical packages must be sent to the new Headquarters address.

Please call 215-364-5582 or e-mail tring@safe-tecllc.com with any additional questions.

Best Regards,

The SAFE-TEC® Management Team
